The Eagle Baseball Fundamental camp is a four day camp with the focus on the fundamentals and the skills of baseball. Our camp offers an Ivy League type education for the development of your

baseball skills and knowledge of the game. Campers will receive instruction on defensive fundamentals as well as hitting, bunting, base running, pitching, and catching. The camp will include a number of drills and skills that will be taught with a detailed process of how to perform them. Campers will be given quality instruction on how to play the game and how to improve themselves on and off the field. The camp will help each participant to better understand the game both mentally and physically. Joining us

will also allow players to further develop individual skills through instruction, individual and multi-player drills and games, as well as interaction with players in a great camp setting!
